

# Benefits Of Cash Secured Loans

## Building your credit score is easier than you think.

If you're trying to improve your credit, you've probably considered various credit building programs. Sometimes people believe that these types of programs are expensive, however, **a cash secured loan** will cost a lot less than you realize. In fact, it **could very well save you money**.

Check out the benefits, perks and outcomes you'll experience on your journey with Refresh Financial.

1

### Your own Relationship Manager

Your Relationship Manager will work with you to build a plan to help you reach your financial goals. You also get access to Refresh f.i.t. - free online financial education!

2

### Set it and forget it!

Credit building programs are designed to be very simple. With online sign up and automatic payments, you don't even need to leave the comfort of your own home to build your score!

3

### Boost your credit score

A cash secured loan payment reports to the credit bureau, positively impacting your credit score with every payment made.

4

### Build savings

Your credit building program is designed to help save money and build credit at the same time. At the end of the program, you not only have a brand new credit score, but a nice chunk of cash, too.

5

### Better credit = lower interest

Paying high interest sucks. However, as your credit score improves, you'll gain access to better interest rates, which sucks less. Over time, this can save you so much money.

6

### Say goodbye to "No"

With a good credit score, lenders will notice. They'll even start seeking you out! No more nerves during credit checks!
